PROPOSAL #

ALT3-2026-001

Project Overview

A comprehensive, whole-home smart living system for your new home at 1240 Paddock Avenue — encompassing intelligent lighting control, distributed audio & video, voice-driven AI automation, security, climate integration, and motorized shade preparation.

SECTION A — LIGHTING CONTROL

- ▶ Lutron HomeWorks QSX processor infrastructure
- ▶ Palladiom & Sunnata designer keypads
- ▶ Ketra tunable white fixtures & downlights
- ▶ Rania D2 shade integration fixtures
- ▶ Occupancy sensors & adaptive dimming
- ▶ System engineering & programming

SECTION B — SMART HOME, A/V & SECURITY

- ▶ AI voice control throughout every room
- ▶ Distributed whole-home audio (14 zones)
- ▶ 4K video distribution to 5 displays
- ▶ Dedicated home theater / bonus room
- ▶ Security system with cameras & sensors
- ▶ Networking, climate, & shade prewire

SECTION A

SECTION TOTAL

Lutron HomeWorks Lighting Control

\$116,166.05

Note: Section A covers lighting material, equipment, engineering, and programming only. Installation labor is not included — electrical rough-in, wiring, and trim-out are the responsibility of the project electrician.

Main Level — Lutron HomeWorks Lighting

Complete lighting control for primary living spaces — kitchen, great room, dining, foyer, and entertaining areas. Includes HomeWorks dimmers, switches, Ketra D2 tunable white fixtures, Rania D2 fixtures, Sunnata keypads, processors, and low-voltage infrastructure.

Lighting Material & Equipment	\$83,180.50
Engineering, Programming & Oversight	\$8,318.05
Main Level Total	\$91,498.55

Upper Level — Lutron HomeWorks Lighting

Complete lighting control for bedrooms, bathrooms, hallways, and bonus areas. Includes HomeWorks dimmers, switches, Rania D2 fixtures, Sunnata keypads, and supporting infrastructure.

Lighting Material & Equipment	\$22,425.00
Engineering, Programming & Oversight	\$2,242.50
Upper Level Total	\$24,667.50

SECTION B

Smart Home, Audio/Video & Security

Terms & Conditions

Payment Schedule: 10% non-refundable deposit due upon signing. 80% due when equipment is ordered and received. 10% final payment at substantial completion. All invoices due upon receipt; late payments may incur fees.

Timeline: Project timelines depend on product availability, manufacturer shipping, and scheduling. Equipment lead time is typically 4–8 weeks. Installation coordinated with builder's construction schedule.

Workmanship Warranty: Alt3 provides a one-year workmanship warranty from the date of substantial completion. Issues caused by misuse, third-party alterations, or manufacturer defects are excluded.

Cancellations: The initial deposit is non-refundable. Customer is responsible for restocking fees or non-returnable items if cancelled after equipment is ordered. Completed labor is billable.

Proposal Validity: This proposal is valid for 30 days from date of issue. Pricing subject to change due to manufacturer adjustments.

Equipment Warranty: All equipment covered per manufacturer's standard warranty. Alt3 will perform one (1) courtesy replacement of one (1) item (parts + labor) within the manufacturer's warranty period. Additional replacements subject to labor charges.

Change Orders: Additional work not in the original scope requires a change order and additional charges. No work begins without written approval.

Liability: Alt3's liability is limited to the total amount paid under this agreement. Not liable for pre-existing issues, customer-provided equipment, or post-installation modifications.

Governing Law: This agreement is governed by the laws of the State of North Carolina. Disputes resolved in Charlotte, NC courts.
